Parent's personal message of encouragement to your "Young Virtuoso":

Advertising Submission Deadline for both the Fall and Spring Concert is 2 weeks prior to the concert date. This is the absolute cutoff for submissions, it is critical that we submit our finalized playbill to the printers on time.

Ad Files and Submission Forms can be emailed to byoexecutivedirector@gmail.com or submitted on CD by mailing your submission form to the Billings Youth Orchestra and Chorale, P.O. Box 80842, Billings, MT 59108.

To avoid our setup fee, ads must be camera ready. Pay close attention to ad dimensions. Any reworking of ad dimensions could be subject to a set up fee. Camera ready ads or artwork may be submitted via email, on CD via mail, or printed on white paper. Acceptable file formats are listed above. For file submissions of camera ready ads, we recommend that you also submit a printed version, so we can ensure your file yields the desired result.
